8 Days / 7 Nights	Private northern Tanzania safari with lodge or tented camp accommodation.	Tarangire National Park, Ngorongoro Crater, Serengeti National Park, Lake Manyara National Park, Arusha	Couples, families, groups, photographers and travellers seeking a balanced safari itinerary.

Overview

Experience the extraordinary 8 Days Tanzania Safari which visits the iconic national parks in northern Tanzania. Starting in Tarangire National Park, famous for its large elephant herds, we head to Lake Manyara National Park known for its stunning birdlife and tree-climbing lions. The highlight of the safari is undoubtedly the great migration spectacle unfolds with the great migration and majestic herds of wildebeest. The trip concludes with the breathtaking views from the Ngorongoro Crater site. Enjoy the adventure while staying in comfortable lodges and tents. Immerse yourself in the rich biodiversity Tanzania has to offer.

Highlights

- Explore diverse ecosystems in the Maasai Mara, home to Ngorongoro Crater.
- Spot elephants, lions, and zebra in the iconic Ngorongoro natural habitats.
- Experience the great migration in the Serengeti.
- Gaze at stunning landscapes and wildlife.
- Enjoy a traditional Maasai dinner with diverse species.
- Capture unforgettable moments in the heart of the Serengeti.
- Relax in comfortable lodge or accommodation.

FAQs

What is the best time for a safari in Tanzania?

The best time for a safari typically ranges from June to October.

Is it safe to travel to Tanzania for a safari?

Yes, Tanzania is generally safe for tourists, but it's advisable to consult with your tour operator.

What vaccinations do I need for a Tanzania safari?

Consult your doctor, but common vaccinations include hepatitis A and B.

Can I see the Big Five during this safari?

While sightings aren't guaranteed, the safari route includes areas where Big Five animals are commonly found.

Do I need a visa for Tanzania?

Yes, a visa is required for most nationalities; check with the Tanzanian embassy for details.
